6. Holster.
7. Weapon to be retained by the Advisor (only if you are in competition and have furnished us with a letter from your Department firearms instructor stating you have been through a firearms course).
8. 150 rounds of ammunition for competition (you will probably only need 100).

NOTE: All weapons will be secured at registration time according to LEC Staff regulations. They will be given back when needed for competition.

ADVISORS: You will need to bring your uniform if you want to wear it for the awards ceremony on Sunday, August 4, 2019. We are also requesting that you ask your Chief/Sheriff to attend this ceremony. It is very rewarding for the Explorers/Cadets to be recognized in this way.

Also, please bring extra cleaning supplies so we can leave the camp earlier.
